

# All things drumming, at home!

There are lots of percussion instruments that we can play with hands or sticks! But did you know we can make music with our bodies and from things around us?

**'Ingredients' for our Instruments! You will need**

+

## Body percussion sounds – using our hands

Using your hands on your knees and chest, can you tap to make a sound? Clapping hands and stomping with our feet

- **Challenge! Can you click your fingers?**

# Rhythm challenge!

## Stomping and Clapping- let's put the rhythm with words

'Coff - ee

'Tea'

★ = Tap

'Pea-nut But-ter

'Pud-ding'

'Fish and chips and mush-y peas'

Slowly tilting can you hear rain sounds?
