

Top tips for a happy and safe festival experience

Print a map of the festival site, so you know where the first aid and toilet areas are located.

Keep hydrated, drink water

Stay close by to the people you are visiting the festival with.

Bring ear defenders, just in case the music or people become too loud for you.

If you are camping put a bright flag on your tent so that you can see it from a distance. Bring spare batteries for your torch.

Bring some toilet paper or toilet wipes in case there isn't any available for you.

Local Festival Quiz

Can you work out the name of the festival, based on the clues below?
